

Rejuvenation

Description: Jr. Graphic Designer, print and digital

Department: Marketing

Reports To: Marketing Manager

MAJOR FOCUS

- 1) Provide support to Graphic Designers to produce effective marketing materials as part of an internal marketing team.
- 2) Promote the brand and company with cohesive messaging.
- 3) Communicate appropriate, accurate information about Eden food items, their uses and benefits.
- 4) Stay current and remain engaged in industry developments and trends including design methods and software, food specifics, rules and regulations.
- 5) Familiarity with B2C and B2B marketing, with emphasis in print.

DUTIES AND RESPONSIBILITIES

- A) Carry out assigned projects while meeting deadlines.
- B) Produce and maintain inventory of in-house product labels.
- C) Create promotional materials and graphics for Eden Store and trade shows.
- D) Design, produce and proofread print brochures, packaging, flyers, advertisements, signage, editorial, and other marketing materials.
- E) Create, color correct, and size digital images for various formats.
- F) Interact with suppliers and Eden personnel as appropriate.

JOB REQUIREMENTS

- A) Degree in Graphic Design or related field.
- B) Professional graphic design experience of 3 or more years. Digital portfolio.
- C) An experienced, ambitious designer with prepress/production knowledge. Versatile team player. Strong language and communication skills.
- D) Proficient knowledge of graphic software programs on Mac OSX, including Adobe CC (InDesign, Illustrator, Photoshop, Acrobat) and Microsoft Office Suite.
- E) Ability to give and receive critique, adapt design and message accordingly.

This job description is not intended to be all-inclusive or a complete representation. Employee will also perform other duties as assigned by immediate supervisor or management as required. Eden reserves the right to modify job duties and responsibilities as needed. This job description does not constitute a written or implied contract of employment.
