

SESAME TAHINI & BUTTER Organic

the Amazing SESAME SEED

Roasted Tahini

Hulled, organic, dry roasted tan sesame seed – ground to a smooth paste.

Black Sesame Butter

Unhulled, organic, dry roasted black sesame seed – ground to a smooth paste.

Tahini – a storied Mediterranean staple, appreciated worldwide, potent and versatile.

Creamy, rich, and nutty.

Use in sauces, dressings, and dips. Spread it on almost anything.

GLUTEN FREE

Black Sesame – highly valued in Japan, the world's largest importer of sesame seed.

A culinary delight of rich flavor and creamy goodness.

On a sandwich, bread, cracker, toast, rice cake, or in cooking.

SODIUM FREE

Seed of Longevity

Sesame is a powerful array of essential nourishments with superb amino acid profile protein and healthy fat. Roman, Greek, and Persian soldiers carried sesame.

SESAME TAHINI & BUTTER Organic

EDEN Tahini sesame paste and **Black Sesame Butter** are made of the organic sesame seed that are used to make EDEN gomasio sesame salts. They are deeply nourishing and pleasing.

Sesame is widely appreciated and surprisingly common, although usually in an underlying role in a dish or recipe.

Culinary Delight SESAME SEED

Tahini is a worthy human staple all over the world today.

Japan is the world's largest importer of sesame seed. They are discerning.

Black sesame seed is very highly valued in Eastern cultures, for health and flavor. They are a boon to whoever enjoys them.

Roasted Tahini, organic

A deliciously smooth, rich paste of hulled, dry roasted tan sesame seed. Use as a dip for vegetables or a spread on bread or toast. It adds richness to sauces, salad dressings, soups and stews. A good source of B vitamins, magnesium, zinc, and iron, in a glass jar. Gluten and sodium free. Non-GMO.
