

*Organic Grain –
some of 80,000 acres of vital
GEO free farmland nurtured
by our customers.*

Fresh milled EDEN organic grain, vintage Italian equipment, brass dies, slow air/steam drying, and people who care create this remarkable pasta. Twenty-five shapes, colors, and flavors; nineteen of them smooth delicious whole grain. Organic vegetables and organic seasonings are added to some enhancing flavor, color, and phytonutrients. Color coded boxes reflect the percentage of whole grain. Tasty options are endless, ready in minutes, and certain to deeply satisfy.

A principled natural food company. 250+ foods and 1,000+ free recipes at
