

EDEN FOODS®

*Organic soybeans from a few of 80,000 acres of vital GEO free farmland nurtured by our customers.*

...pioneered the nondairy liquid food category in 1983. EDENSOY is the only U.S.A. soymilk properly prepared to nurture human beings. It was the first soymilk in North America verified Non-GMO, and is ranked No. 1 by far in a thoroughly researched soy report – [cornucopia.org/soy](http://cornucopia.org/soy). 100% U.S.A. family organic whole soy and grain, with gentle unrefined sweeteners or unsweetened.

**A principled natural food company. 250+ choices and 1,000+ free recipes at**
