

1968

Eden Co-op began in  
Ann Arbor, Michigan

1975

100% of EDEN grain  
and beans certified  
organically grown

1988

Eden bans any  
irradiated foods

1993

Eden bans all  
genetically engineered  
food and GMO  
derived substances

1999

BPA free lined  
cans introduced

47 years later -

We still do just  
what we set out  
to do:

Get the best food  
possible, and  
make it available  
to as many people  
as we can.

# 400+ Pure & Purifying Foods
