October 12th, 2009

Products Included Scope

A current list of verified products can be found online at www.nongmoproject.org.

The above-name Participant has demonstrated capability to comply with the Non-GMO Project Standard. Compliance with the Standard is determined through a document-based evaluation and, when required, onsite inspection of production facilities. In its acceptance of this verification, the verified entity warrants that it is and will remain in full compliance with the terms and conditions of the Non-GMO Project Product Verification Program and the Non-GMO Project Standard.

Verification valid until surrendered, suspended or revoked.
