

OCIA International Organic Certification

979

Operator Number

979-13

Certificate Number

Eden Foods, Inc.

701 Tecumseh Rd
Clinton, MI 49236
USA

The Organic Crop Improvement Association has inspected this operation and determined that it is in compliance with the following certification programs:

US National Organic Program (NOP)

Certified Organic under the US National Organic Program 7 CFR Part 205

Certified to the terms of the US-Canada Organic Equivalency Arrangement

Certification Type: Processor/Manufacturer

See Product Listing Addendum for certified list of products/services.

Effective Date: 06-May-14
Certified Since: 10-Jun-02
Anniversary
Date: 26-Jan-15

OCIA Executive Director

This certificate is valid only to document the OCIA certification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for certification. By accepting this Certificate, the named operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this certificate will only be used as outlined in the regulations for the NOP program. This certificate is valid until certification is surrendered, suspended or revoked. An updated organic management plan and on-site inspection are required annually.

OCIA Processor Product Listing Addendum

Eden Foods, Inc
Pam Stepka
701 Tecumseh Rd., Clinton, MI
USA 49236

ID Number: 979

Date of Last Inspection: January 7, 2013

Date of Issuance: March 27, 2014

Issued by: CDT#149

The *Processor Product Listing Addendum* verifies the specific products and programs for which the client was certified by OCIA International on the date of issuance. For verification of the current organic status of the operation, please request a copy of the operations organic certificate(s) or contact OCIA International or any OCIA Regional Office.
